#### Item 2.05 Costs Associated with Exit or Disposal Activities

Effective April 1, 2008, Catcher Holdings, Inc. (the "Company") terminated all of its employees and ceased operations due to the insufficiency of working capital. The Company is attempting to raise funds to restart operations; however, there is no certainty that it will be successful in this regard.

Additionally, the Company has not met certain terms of a \$1,000,000 note agreement wherein the note holder has a first security interest in certain of the Company's assets. The note holder has verbally agreed, from time to time, to forgo action it may take; however, there is no assurance that it will continue to do so.
